## LANGUAGE

- English
- Bulgarian

## EXPERTISE

- Software Development
- Web Development
- Cloud Computing
- Version Control
- DevOps
- Communication

## EXPERIENCE

### TMC - Test and Integration

#### Junior DevOps Engineer

Eindhoven - Netherlands

February 2023 - Present

I am working on various projects mainly as a developer, focused on ensuring quality code and improving the automation process.

### TMC

#### Internship - Full stack developer

Eindhoven - Netherlands

2022 - 2023

During my internship, I successfully developed a robust full-stack semi-microservice solution. My proudest achievement was the substantial growth of my professional skills within a dynamic company environment.

## EDUCATION

### Fontys University

ICT - Software engineering

2020-Present

### High school in electrical engineering

System programming

2015-2020
